Notwithstanding the foregoing, if it is deemed necessary to adjust the rates due to a significant change in the circumstances underlying the conclusion of an agreement, the rates may be adjusted more than once a year by agreement between DEKRA Korea and the Other party.

The methods and techniques applied by DEKRA Korea shall in any event be deemed to be confidential.

## **Article 9 Subcontracting**

Without prejudice to the provisions of Article 10, DEKRA Korea shall be entitled to engage third parties for the performance of the activities agreed upon. Article 8.5 shall apply to such third parties.

## **Article 10 Liability**

10.1 DEKRA Korea shall only be bound towards the Other Party to pay damages that are a result of a negligent failure of DEKRA Korea to carry out any of its obligations agreed upon on behalf of the Other Party or as a result of a wrongful act of DEKRA Korea, only if and insofar this is set forth in the provisions of these GTC.

10.2 DEKRA Korea's liability in respect of any damage, claim for loss, or expense of any nature intended in Article 10.1 shall be limited to a total aggregate sum equal to 10 times the amount of the fee paid by the Other Party in respect of the specific services which gives rise to such claim or KRW 50,000,000 (fifty million Korean Won), whichever is the lesser.

Party, loss of profit, loss of sales and damage of reputation or goodwill of the Other Party or third parties.

DEKRA Korea's liability shall lapse in any case if the Other Party has not initiated legal action for the recovery of the damages within one year after the date of the performance of the services which caused the damage, and the Other Party shall not initiate a legal action against DEKORA Korea for the recovery of the damages after DEKRA Korea's liability have lapsed according to this Article 10.4.

10.6 The limitations of liability of DEKRA Korea intended in these GTC do not apply to damages caused by willful misconduct or gross negligence on the part of DEKRA Korea or its management.

10.7 The limitations on the obligation to pay damages as well as the Other Party's obligation to indemnify in accordance with these GTC, are also stipulated for the benefit of DEKRA Korea's employees and for the benefit of third parties which DEKRA Korea has engaged for the performance of the obligations agreed upon.

10.8 DEKRA Korea shall not be liable for failure to fulfill any of its obligations in case the failure is caused by force majeure events beyond DEKRA Korea's control such as war, serious flood, fire, typhoon, earthquake and infectious diseases, or other events agreed upon between both Parties ("Force Majeure"). During Force Majeure, DEKRA Korea's obligation to fulfill its obligations shall be suspended. In the event that the performance of DEKRA Korea's contractual obligations is made impossible by Force Majeure for a period longer than thirty days, each party shall be entitled to dissolve the agreement without judicial intervention and without any obligation whatsoever to compensate the damages of the Other Party.

#### **Article 11 Termination of the agreement**

11.1 Notwithstanding the provisions stated in the foregoing articles, in the event that the Other Party fails, fails to properly or fails to timely fulfill any of its obligations towards DEKRA Korea, DEKRA Korea shall be entitled to suspend performance of the agreement, or to dissolve the agreement without judicial intervention, in whole or in part, without any obligation for DEKRA Korea to pay damages, but without prejudice to DEKRA Korea's right to seek compensation for the detriment resulting from the Other Party's failure and the suspension or the dissolution of the agreement. The same applies if DEKRA Korea fears that the Other Party will fail to fulfill its obligations and the Other Party does not provide adequate security for such fulfillment by the date set by DEKRA Korea upon DEKRA Korea's first request to do so. In those instances, all accounts receivable by DEKRA Korea from the Other Party will become payable forthwith.

11.2 In the event of the Other Party's bankruptcy, suspension of payment, or liquidation, if the Other Party is placed under a trustee or administrator or under any other form of legal restraint, the Other Party will be deemed to be in default by operation of law; this will give DEKRA Korea the right, without formal notice of default and without judicial intervention, to dissolve the agreement in whole or in part on the same conditions as stated above.

11.3 In the event of termination of the agreement by DEKRA Korea for good cause, in the event of impossibility of performance resulting from the sphere of risk/responsibility of the customer of the Other Party or in the event of any voluntary termination by the Other Party, DEKRA Korea shall retain its claim to immediate remuneration for the performances rendered up until then.

**Article 15 Fees**

15.1 The fees agreed upon for the right intended in Article 13 will (also) serve to cover the Usage Object and registration costs made by DEKRA Korea, and the Other Party shall pay such fees in advance.

15.2 Unless otherwise agreed, the inspections and follow-up assessment services performed by DEKRA Korea within the framework of the Usage Object shall be charged against the rates then applicable, subject to the provisions of Article 5.

**Article 16 Publicity and publications**

16.1 DEKRA Korea shall be entitled to publish the issuance or withdrawal (if any) of the Usage Object.

16.2 The Other Party has no right to use DEKRA Korea's name for any other purpose than in connection with the Usage Object by DEKRA Korea, without DEKRA Korea's prior consent in writing to do so and notwithstanding the provisions of Article 17.5. In case of certification of a management system or process only, the affixing of Usage Objects on the products is not permitted.

16.3 If it is deemed in the sole discretion of DEKRA Korea that the Other Party has released false or incorrect announcements or publications, the Other Party shall be obliged to rectify the same, if requested to do so by DEKRA Korea, and to do so without delay and to DEKRA Korea's satisfaction.

## Article 17 Compliance with rules and regulations

17.1 The Other Party shall comply with the applicable legal rules and directives as well as the requirements and provisions laid down by DEKRA Korea and shall render assistance for the inspections and follow-up assessments. The Other Party shall be charged separately for samples purchased by DEKRA Korea in connection with such inspections and follow-up assessment.

17.2 In case of product certification, the Other Party guarantees that the products in question, to be introduced onto the market by the Other Party or on its behalf, correspond to the product type(s) assessed by DEKRA Korea. The Other Party shall – at the discretion of DEKRA Korea – deposit a sample or a description of such product at DEKRA Korea's premises.

The Other Party shall keep a protected quality or process manual at DEKRA Korea's disposal. Article 6 fully applies.

17.4 In case the Other Party resolves to make any alterations to the products, management system(s) and/or process(es) assessed by DEKRA Korea which may affect the conformity of the same with the relevant requirements and/or standards, the Other Party shall inform DEKRA Korea without delay about the alterations planned, including the data listed in the Usage Object in question. The certification agreement and the associated Usage Object shall apply to altered products, management systems or processes only if and from the time that such products, systems or processes are approved by DEKRA Korea.

17.5 DEKRA Korea is entitled to, in its discretion, require the Other Party to fulfill obligations, restrict, suspend, disqualify and/or withdraw the Usage Object at any time, and the Other Party shall comply with the request from DEKRA KOREA without delay, provided, that

- the Other Party fails to comply with data protection rules pursuant to Article 8.6;
- other reasons for withdrawal of the Usage Object in compliance with these GTC or certification agreement.

In the event of withdrawal or suspension, the Other Party shall refrain from using the Usage Object, particularly in respect of advertising which makes reference to the DEKRA seal or other test document, and return all Usage Object requested by DEKRA Korea. Notwithstanding, the claims for damages or other claims remain unaffected. The same applies in the event that the certification agreement expires by operation of law or is terminated by either party.

17.6 The Other Party shall use the Usage Object in no manner that might damage the reputation of DEKRA Korea or be regarded as misleading. The Other Party shall use the Usage Object only in accordance with the applicable laws, particularly in respect of the law on unfair competition. In the event that the certification is only related to a management system or process, the Other Party is not entitled to affix any certification marks and/or DEKRA seals of DEKRA Korea on its products. In case of product certification, the Other Party shall affix the certification marks and/or DEKRA seals on the products in question in a visible, legible and indelible form. In the case of any change in size, the text contained in/on certification marks and/or DEKRA must remain completely legible, and the proportions of texts and marks shall not be altered. The Other Party shall not create an impression for third parties that DEKRA Korea is responsible for the activities of the Other Party. The Other Party shall not apply any mark or seals which may be confused with the certification marks and/or DEKRA seals covered by the certification agreement.

17.7 The Other Party shall maintain a record of all complaints and/or incidents relating to or involving products, management systems and/or processes certified by DEKRA Korea, and of any action taken by the competent authorities in connection with such complaints and/or incidents, and shall immediately make this record available to DEKRA Korea for perusal if asked to do so. The said record shall state how each complaint or incident was dealt with and whether corrective action was undertaken in response.

18.1 Any complaint that made by the Other Party regarding the services rendered by DEKRA Certification shall be dealt with by DEKRA Korea in accordance with the applicable procedure.

18.2 In the event that DEKRA Korea receives complaints pertaining to products, management systems, processes or persons it has certified, DEKRA Korea will investigate the accuracy of such complaints. The complainant as well as the Other Party shall be heard and the results of the investigation shall be reported to them both. In the event that DEKRA Korea considers the complaint well-founded, the Other Party shall take measures without delay in order to satisfy the complainant insofar as possible and to prevent a subsequent complaint.

18.3 Article 12 shall apply to all other disputes.

### **Article 19 Indemnification**

19.1 The Other Party shall indemnify, defend, and hold DEKRA Korea harmless against any and all claims to recover damages resulting from products certified by DEKRA Korea and introduced onto the market by the Other Party, or resulting from the use of such products.

19.2 DEKRA Korea is not liable for impermissible use of the Usage Object. In the event that a client of the Other Party or a third party (such as consumer protection agency) files a claim against the Other Party relating to the Other Party's use of the Usage Object due to breach of legal requirements (such as when advertising with the DEKRA seal), DEKRA Korea is also not liable.

### **Article 20 Term and termination of the certification agreement**

20.1 Unless agreement is made to the contrary, the term of the certification agreement shall be 5 years.

20.2 In case of a limited period of validity of the certificate(s) in question, each party shall have the right to give notice to terminate the certification agreement as of the date of the expiration of the current validity period of the certificate. In the event that the certification agreement covers more than one certificate, the agreement can be terminated with respect to each certificate as of the date of the expiration of the current validity period of the certificate in question. DEKRA Korea will not terminate the certification agreement unless continuation of the same cannot reasonably be required from DEKRA Korea for business reasons and notwithstanding the provisions of Articles 11 and 17.

20.3 In the event that the certificate(s) in question do(es) not have a limited period of validity, each party may terminate the agreement with respect to each certificate subject to three months' notice. The provision of the last sentence of Article 20.2 shall apply.

### **Article 21 Severance**

Should one of the above provisions be legally invalid, the validity of the remaining stipulations and of the contract shall remain unaffected. Any invalid provisions shall be replaced by new regulations which have the same economic effect as their aim.
